"I always provide honest advice to my customers based on their needs and goals."

Hi, I'm Sanet and I've been with Westpac as an Investment Adviser since 2007. In addition to this, I have over 21 years working in various other roles within the banking industry.

I am committed to furthering my education and am currently completing a Post Graduate Diploma in Business Studies through Massey University.

In my spare time, I enjoy sailing, golf and spending quality time with friends and family.

I'd like to meet with you, to give me a chance to listen to what you want out of your investments and allow me to put together a plan that can make that happen.
